PRIVACY OF STUDENT RECORDS-FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Students (or parents or guardians of dependent minors) may gain access to their files during school hours by making an appointment with the appropriate school personnel. Files are not to be removed from the office. Since students receive copies of all pertinent information in their files, additional copies of documents in the student file will be given to students upon request at the rate of One Dollar and No/100 (\$1.00) per copy.

No information concerning a student will be released to anyone without specific written permission of the student and parents or guardians of dependent minors.

The school will release information from files regarding attendance, progress, financial status and other official information to any Regulatory Office to include, but not limited to, the U.S. Department of Education, National Accrediting Commission of Career Arts & Sciences (NACCAS), State of Idaho and Northwest Education Loan Association (NELA) as required for any accreditation process.

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law which states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student education records.

DIRECTORY INFORMATION: Headmasters School of Hair Design considers the following Directory Information and WILL release this information WITHOUT the written consent of the student. If non-directory information is needed to resolve a crisis or emergency situation, Headmasters School of Hair Design may release that information to appropriate officials if Headmasters School of Hair Design determines that the information is necessary to protect the health or safety of a student or other individuals. Upon request, Headmasters School of Hair Design discloses education records without consent to officials of another college in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for the purposes related to the student's enrollment or transfer.

DISCLOSURE: Those members of Headmasters School of Hair Design who act in the student's educational interest within the limitations of their "need to know" have access to student education records. These personnel are referred to as "school officials". The Registrar shall decide the legitimacy of requests for student information. However, if the Registrar is served with a subpoena requesting student information, the Registrar must comply with the request. Before doing so, the Registrar shall attempt to notify the student of the subpoena in advance of compliance so the student may seek protective action, unless the disclosure is in compliance with a subpoena issued by an agency that has ordered the contents of the subpoena, or the information furnished in response to the subpoena, not be disclosed.

Information on deceased students will only be made available to survivors or third parties via a subpoena to the Registrar.

The Solomon Amendment requires colleges and universities to release information regarding enrolled students to the military for recruitment purposes. Students may restrict disclosure to the military by restricting all disclosure of personal information.

Students or guardians of dependent minors may submit a “Directory Information Restriction Request” form to the Financial Aid Office to prevent directory or non-directory information from being released. This Restriction form will be honored by Headmasters School of Hair Design until rescinded in writing by the student.

The Headmasters School of Hair Design official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Headmasters School of Hair Design official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- (2) The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Student may ask the School to amend a record that they believe is inaccurate or misleading. They should write the school official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the student, the School will notify the student of the decision and advise the Student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. FACILITIES AND SERVICES FOR STUDENTS WITH DISABILITIES

Headmasters School is handicap accessible including parking and a restroom facility. For any other special needs please contact a school owner for additional information.

Accommodations are formally approved during an intake interview with a disabilities services coordinator. The instructor determines accommodations on a case-by-case basis, based on the documentation, the student's history and specific functional limitations. Students requesting accommodations in the classroom must provide an IEP.

Extended Time

Students with disabilities may require additional time for taking tests. Extended time ensures that a student's performance is reflective of his/her mastery of material rather than the speed at which a student performs.

Readers for Exams

Some students with disabilities may require having exam questions read to them.

Reduced Distraction Environment

Students with disabilities may be approved for and request a separate “reduced distraction” testing space. This accommodation is not a guarantee of a “distraction free” testing space, but rather a quieter space where students have fewer distractions from fellow test-takers and are thus better able to maintain focus.

STUDENT RIGHT TO KNOW POLICY

All criminal activity and accidents that happen on the school premises must be reported to the School Manager who must keep a confidential file on the circumstances surrounding each incident. The School Manager must make the information available to the employees and students. Information of a personal nature (Privacy Act) will be kept confidential. The School Manager will follow the following procedures for informing students and employees of criminal activity and accidents:

1. Emphasis will be placed on accident and crime prevention.
2. All accidents and crimes will be recorded in a file.
3. Headmasters School of Hair Design will furnish a written crime report yearly. This report will contain information for the previous three (3) years. This report is updated every October and made available to all employees and students. This report is in compliance with Public Law 102-26.

COST OF ATTENDANCE (COA)

As dictated by Congress, the COA is the average cost to attend for one academic year. It includes tuition and fees, books and supplies, room and board, transportation, and personal expenses. Headmasters adjusts the COA yearly to reflect changes to these costs.

REFUND POLICY

For applicants who cancel enrollment or students who withdraw from enrollment a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

A refund calculation will be performed and any monies due the applicant or students shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

- 1 An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid.
- 2 A student (or legal guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement. In this case all monies collected by the school shall be refunded, regardless of whether or not the student has actually started classes.
- 3 A student cancels his/her enrollment after three business days of signing the contract but prior to starting classes. In these cases he/she shall be entitled to a refund of all monies paid to the school less the Registration Fee in the amount of \$100.
- 4 A student notifies the institution of his/her withdrawal in writing.
- 5 A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
- 6 A student is expelled by the school. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 30 days.)
- 7 In type 2, 3, 4 or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or

owner in person.

- All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, the school will either provide a full refund of all monies paid or completion of the course at a later time. If the course is cancelled after students have enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.
- For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by the school applies. All refunds are based on scheduled hours:

PERCENTAGE ENROLLMENT TIME TO AMOUNT OF TOTAL TUITION
Cosmetology and Cosmetology Instructor

|-----------------|----------------------|--------------------|
| .01 - 99.99 | 0.01% to 4.9% | 20% |

Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement.
- No refund will be made for the student kit due to sanitation and health reasons, except for the following reasons: (1) unopened in original packaging, (2) student isn't accepted by the school, (3) student cancels within three business days of signing the contract, and (4) student cancels after three business days of signing the contract but prior to beginning classes. No refunds will be made for early completion of course. In the event you are no longer attending classes and leave any personal property, including the training kit, in the students' locker or on the school premises for more than twenty (20) days, said personal property will be deemed abandoned and the school shall have the right, without notice, to dispose of the said personal property.
- Collection procedures reflect good taste and sound, ethical business practices. Collection correspondence regarding cancellation and settlement from Headmasters School of Hair Design, banks, collection agencies, lawyers, or any other third parties representing Headmasters School of Hair Design clearly acknowledges the existence of the withdrawal and settlement policy. If promissory notes or contracts for tuition are sold or discounted to third parties, the third party must comply with the cancellation and settlement policy of the institution.
- All students are required to complete Exit Counseling when they withdraw.

DRUG AND ALCOHOL ABUSE PREVENTION - BIENNIAL REVIEW

<http://headmasters.edu/media/Student-Catalog.pdf> - see the section “Drug and Alcohol Prevention Program”

Headmasters School of Hair Design must review its Drug and Alcohol Prevention Program once every two years to determine its effectiveness and to ensure that its sanctions are being enforced. As a part of this **biennial review**, Headmasters School of Hair Design must determine: 1. The number of drug and alcohol related violations and fatalities that occur on the campus or as part of any of the school’s activities and that are reported to campus officials; and 2. The number and type of sanctions that are imposed by the school as a result of drug and alcohol related violations and fatalities on the campus or as part of any school activities.

The effectiveness of Headmasters School of Hair Design’s prevention program is measured by tracking the number of drug and alcohol related disciplinary actions, treatment referrals, and incidents recorded by campus officials or other law enforcement officials. Headmasters School of Hair Design also tracks the number of students or employees attending self-help or other counseling groups related to alcohol or drug abuse programs. During the years of 2016 and 2017, Headmasters School of Hair Design did not have any drug and alcohol related violations and fatalities that occurred on the campus or as part of any of the school’s activities and nothing has been reported to campus officials. Because there were not any drug and alcohol related violations and fatalities on the campus or as part of any school activities during the years of 2016 and 2017, Headmasters School of Hair Design did not impose any type of sanctions.

Headmasters School of Hair Design’s Drug and Alcohol Prevention Program proves to have been effective for the years of 2016 and 2017 due to no incidences occurring or being recorded by campus officials. No implementations of changes are needed at this time.

The official responsible for conducting the biennial review is Tracy Waffle, Financial Aid Administrator.

This biennial review is approved by the President,

Amy Peterson
President
