**ACADEMIC YEAR DEFINITION**
An academic year is 900 clock hours and 28 weeks long for the Cosmetology program. An academic year is 1000 clock hours and 30 weeks long for the Cosmetology Instructor program. The Cosmetology program is 1600 clock hours and the Cosmetology Instructor program is 1000 clock hours.

**GRADING SYSTEM**
Each student is graded monthly for theoretical work. Students must maintain an 81% grade point average (GPA). Theory grades are based on assigned work and written test scores given upon completion of each subject.

Basic practical grades are determined by the practical competency exam administered at the end of basics class. Monthly practical grades are recorded on the student’s Premiere report and based on quality of work, attendance, appearance and client and student relations. All practical and theory grades will be reviewed with the student after grading has been completed. Failure to maintain 81% in GPA could result in warning, probation or termination. Make-up assignments must be turned in and tests taken upon immediate return to school or as directed by their instructor. Failure to do so could result in an Incomplete Grade which will affect their GPA. (Please see Satisfactory Academic Progress Policy for additional information.)

All theory exams and practical exams must be completed before the student will be allowed to graduate and be eligible to take State Board exams.

The following grading system is used:

- **A-Excellent** 100% to 93%
- **B-Good** 92% to 87%
- **C-Passing** 86% to 81%
- **D-Failing** 80% or below

**SCHOOL ATTENDANCE POLICIES**
The school is open six (6) days a week. Basic students attend school Monday through Friday. Clinic floor students are scheduled Tuesday through Saturday or as scheduled by the school. Students may request to attend six days a week to make up time. The school will try to accommodate these requests. All six day a week students must have approval through the Financial Aid Office so as not to interfere with the student’s financial aid awards.

Attendance cannot be emphasized enough. You are preparing for a service career in a very people-oriented profession. Success is directly related to your dependability. It is the goal of the school to try to impress good work habits. We
have an attendance policy that reflects the needs of this industry. Students who find it difficult to work within the requirements of our attendance policy may find they have a difficult time obtaining and maintaining a clientele.

School Clinic floor hours are 8:30 a.m. to 4:30 p.m. on Monday, 10:00 a.m. to 4:30 p.m. on Tuesday through Friday, and 9:00 a.m. to 3:00 p.m. on Saturdays.

**Roll call is at 8:30 am.** Students are expected to have eaten breakfast, have their make-up on, hair done and in uniform with name tag on before being credited with time. These are requirements from future employers. Students not complying will be asked to leave until they meet school standards. If, for whatever reason, you will be late or unable to attend school, you must call prior to 8:45 a.m. When a student is not present at roll call and has not notified the school of their intentions, they will be considered absent and their appointments will be re-booked. If the student arrives late, the staff reserves the right to send the student home for the day. Students with excessive absences or tardy (more than three in a month) may be given written notice that will result in probationary periods like those for satisfactory progress.

**Theory** will be held for 1-1/2 hours on Wednesday, Thursday and Friday. Students are required to attend theory time. Students are not allowed to leave class during theory or when guest educators are doing a presentation. We do not eat or smoke during class time. Arrangements for missed work need to be made with the appropriate instructor upon returning from an absence.

**Lunch breaks** are one-half hour and are optional. Basic class lunch is scheduled at the instructor’s discretion. Lunches for clinic floor students are marked out on the appointment book and are taken in between clients. It is important for students to realize that in this industry lunches are scheduled around the clients’ schedule. There may be times when a student will not get a full half hour for lunch. This may depend on the student's bookings.

**Breaks** need to be limited to no more than two (2) five-minute breaks in order for the student to complete the course in the scheduled amount of time stated on their contract. Any student wishing to leave the building for an additional break is required to clock out. This is a school and, like all other schools, we have classrooms. Our classrooms are different in that the public is an important part of the learning experience and therefore have access to our classroom. This makes it important for us to conduct ourselves as professionals at all times.

You must be in attendance on all regularly scheduled days in order to complete the course in the time allowed on your contract. Additional tuition is charged for going over your contracted time. These charges of $100 per day must be paid in full in order for the school to certify your hours for state boards. Headmasters School of Hair Design is a clock hour school, and does not have an excused absence’s policy because the student must have a specific number of hours to graduate and be eligible to take state board exams. Simply put, the hours missed must be made up.

Students must meet the 80% per month attendance requirement. Attendance is absolutely necessary for your learning progress. If the student has not maintained an 80% average monthly attendance they will be advised that they are not meeting Satisfactory Academic Progress. See the “Satisfactory Academic Progress (SAP) Policy” section for consequences.

The school may identify an absence as an authorized unexcused absence. Authorized unexcused absences include prearranged time off for special one-time only events. These must be prearranged in writing at least seven (7) days in advance for a Monday or Saturday. However, students still must meet the 80% average monthly attendance requirement.

**Monday/Saturday Absence Policy** Any Student scheduled to attend school on Mondays/Saturdays must attend school all available hours for that day. Students who call in on that day or are absent without prearranging it prior to the day, must provide a doctor’s note excusing them for the hours missed. Students who are unable to provide proper documentation upon arrival may be suspended for up to 29 days. Students may prearrange for necessary days off in advance without penalty. Prearranged absences must be done at least seven days in advance for a Monday or Saturday.
14 Day Absence Policy If a Student were to miss 14 consecutive days (excluding days on an approved leave of absence), the school reserves the right to terminate enrollment of said student from the program regardless of students communication with the school.

Suspensions are considered an unexcused unauthorized absence. The following actions may result in a suspension:

1. Failure to complete assigned written and practical work.
2. Insubordination or conduct not conducive to a professional environment (refusing to follow direction, instruction or acts of disobedience and rebellion).
3. Use of or under the influence of drugs or alcohol during school hours.
4. Use of profanity anywhere on school property.
5. Excessive unexcused absences and/or tardiness.
6. Not following dress code — including professional hair styles and makeup.
7. Repeatedly leaving the clinic floor without checking with your instructor.
8. Failure to notify school prior to 8:30 am during the week and 8:45 am on Saturdays of tardiness or unexcused absences.
9. Not prearranging seven (7) days in advance or having a doctor’s excuse stating the student was physically unable to attend school on a Monday/Saturday.

Students that are physically ill and unable to complete assigned work or appointments will be sent home. We cannot run an infirmary. This will count against their 80% monthly attendance requirements.

Termination is the final disciplinary action against a student. The school is required to terminate any student who is not in compliance with the schools policies and rules, including attendance and satisfactory academic progress. Upon termination, the school will set up an appointment with the student to complete the necessary paperwork. Any refund of monies due will be returned to the appropriate parties. Tuition is prorated as stated on the enrollment contract. (Please see Refund Policy pages for further information.) Any student who has been terminated from the program and has been out of school for a minimum of thirty (30) days and wishes to return, must submit a letter to the school stating their desire and intention to correct previous concerns and complete training without interruption.

A student may be terminated when five (5) days have passed since their last day of physical attendance that is not on an approved leave of absence, unless prior arrangements are approved by the school manager and have been made.

Due to the intensity of training during basics, any student who misses a total of 24 hours during the basic program may be dropped from the program and will need to apply for re-enrollment with the next scheduled class provided that space is available.

The school reserves the right to suspend or terminate any student from school for excessive attendance abuse, insubordination, refusing to cooperate with Staff, improper conduct, use of drugs or alcohol, bringing a weapon to school, use of profanity, failure to pay required fees or if in any way we feel a student is not adapting to our program. (For mitigating circumstance please see Appeal Procedures.)

Note: Students who re-enter will re-enter under the same Satisfactory Academic Progress status as in place at the time the student left. If the student was not making satisfactory progress at the time they left, the student would not be considered as being in satisfactory progress upon their return. If the student is considered to be out of compliance with satisfactory progress upon their return, they would be required to meet the attendance and academic progress requirements of at least one evaluation period of the course in order to be returned to satisfactory status within the program, which would be considered “the warning period” according to the Satisfactory Academic Progress Policy.

LEAVE OF ABSENCE POLICY
Leaves of absence (LOA) will be granted to a student for no more than 180 calendar days in any 12 month period. These leaves must be requested in advance in writing, include the reason for the student’s request and include the student’s signature and approved by the School Administrator. Headmasters School of Hair Design will evaluate leaves and their length on a case by case basis. We will work with you to do a LOA over the telephone if necessary.
A leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence.

An authorized leave of absence (LOA) is a temporary interruption in a student’s program of study. Leave of absence (LOA) refers to the specific time period during a program when a student is not in attendance. Leave of absence (LOA) is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during a leave of absence. In the event of extended absence, a leave of absence may be granted. Such leaves may also be granted for medical or bereavement reasons.

A leave of absence (LOA) must meet certain conditions to be counted as a temporary interruption in a student’s education instead of being counted as a withdrawal. In order for a (LOA) to qualify as an approved (LOA), Headmasters School of Hair Design has established the following policy with regard to leaves of absence (LOA).

1. Students must follow the institution’s policy in requesting an LOA. The LOA must be in advance unless unforeseen circumstances prevent the student from doing so. All requests for a leave of absence must be in writing, outlining the specific period of time in which the student will not participate in any educational activities provided by Headmasters School of Hair Design. The request must include the anticipated start and end date of the leave. The request must include the reason for the leave. The request must be signed by the student requesting the leave.

2. All leaves must be approved by an Instructor. Failure to gain approval for an official leave may result in unofficial withdrawal according to Headmasters School of Hair Design’s withdrawal and termination policy.

3. Headmasters School may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if:
   a. Headmasters School documents the reason for its decision;
   b. Headmasters School collects the request from the student at a later date; and
   c. Headmasters School establishes the start date of the approved LOA as the first date the student was unable to attend.

4. The student will not be charged during an approved leave. There will be no additional institutional charges as a result of the LOA.

5. A student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 days in any 12 month period.

6. Students that are granted a leave of absence (LOA) in accordance with Headmasters’ policy is not considered to have withdrawn and no refund calculation is required at that time.

7. Contract will be extended by the same number of days taken in the LOA and such changes to the contract period must be either:
   a. Changes to the enrollment agreement will be initialed by all parties; or
   b. An addendum to the enrollment agreement must be signed and dated by all parties.

8. The student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA and that the student’s withdrawal date for the purpose of calculating a refund will be the student’s last date of attendance.

9. There must be a reasonable expectation that the student will return from the LOA.

**Federal financial aid will not be disbursed during a period of leave.**

Withdrawals are subject to the re-enrollment process. All Students considering a leave should seek advice from the Financial Aid Administrator to determine the impact prior to deciding on such leave.

According to Federal Requirements, financial aid will not be disbursed during a period of leave. A student who fails to return from leave will be terminated. If the student subsequently returns, the student will be considered a re-enrollment.

Note: If such leave is authorized, and the student was making satisfactory progress in the program before the leave, the student will be considered making satisfactory progress upon returning to the program. If the student was not making satisfactory progress when taking the leave, the student would not be considered as being in satisfactory progress upon their return. If the student is considered to be out of compliance with satisfactory progress upon their return, they would be required to meet the attendance and academic progress requirements of at least one evaluation
period of the course in order to be returned to satisfactory status within the program, which would be considered “the warning period” according to the Satisfactory Academic Progress Policy.

**FINANCIAL AID**

A student must meet certain **requirements** to be eligible for financial aid. Those requirements are:

- Must be enrolled in a program of study and pursuing a degree/certificate/other credential
- Must be a US Citizen
- Must be registered with the Selective Service
- Must not have had eligibility suspended or terminated due to a drug-related conviction
- Must have a valid Social Security Number

- Incarcerated students who are serving a criminal sentence in a federal, state, or local penitentiary, prison, jail, reformatory, work farm, or similar correctional institution have limited financial aid eligibility depending on the type of institution they are incarcerated in, as students are not considered to be incarcerated if in a halfway house or home detention or is sentenced to serve only weekends. Incarcerated students are not eligible for FSA loans but are eligible for Federal Pell Grants if not incarcerated in a federal or state penal institution

**Student Rights and Responsibilities**

**Student Rights**

As a student consumer you have the right to:

- know what financial assistance is available, including information on all federal, state, and institutional financial assistance programs;
- know the deadlines for submitting applications for each of the financial assistance programs available;
- know how your financial need is determined. This process includes how costs for tuition and fees, room and board, travel, books and supplies, and personal expenses are decided in developing cost of attendance budgets;
- know what resources (such as parental contribution, other financial assistance, student assets, etc.) are considered in the calculation of your financial need;
- know how much of your financial need, as determined by Headmasters School of Hair Design, has been met;
- request from the Financial Aid Office (FAO), an explanation of the various programs in your student aid package. If you believe you have not received the financial assistance for which you are eligible, you may request reconsideration of the award which was made;
- know what portion of the financial assistance received must be repaid, and what portion is grant aid. If the aid is a loan, you have the right to know what the interest rate is, the total amount that must be repaid, the payback procedures, the length of time you have to repay the loan, and when repayment is to begin; and
- know how the FAO determines whether you are making satisfactory academic progress, and what happens if you are not.

**Student Responsibilities**

It is your responsibility to:

- review and consider all information about the financial aid programs at Headmasters School of Hair Design prior to enrolling;
- complete all financial assistance applications and forms accurately, and submit them to the FAO by the appropriate deadlines;
- fill out the Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA completely because it determines your eligibility for a wide variety of financial assistance. You may experience delays in receiving a decision about financial aid if forms are filled out incompletely or incorrectly. Falsification of information on application forms for federal financial assistance is considered a criminal offense, and you may be subject to penalties under the U.S. Criminal Code;
- respond quickly to all requests for additional documentation related to verification or corrections;
- notify the FAO if there is a change in any of the information reported on the FAFSA;
• read and understand all forms that you are asked to submit or sign, and keep copies of these forms. You are legally responsible for all agreements which you sign;
• notify your lender of any changes in your name, address, or school status if a loan is part of your financial aid;
• know and comply with Headmasters School of Hair Design’s refund procedures, should you withdraw; and
• be formally admitted to Headmasters School of Hair Design in a degree-seeking program.

Parent Responsibility to Dependent Students
A basic assumption we make when awarding federal aid is that parents of dependent students have the primary responsibility to pay for their dependent children's education. It is the aim of the federal government to help financially needy families by supplementing the Expected Family Contribution (EFC).

To receive aid from the student aid programs you must have financial need, except for some loan programs. You have to have a high school diploma or GED, be enrolled or accepted for enrollment as a regular student working toward a diploma/certificate in an eligible program. You must be a U.S. citizen or eligible non-citizen. You must have a valid Social Security number and be making satisfactory academic progress. A signed statement on the Free Application for Federal Student Aid (FAFSA) certifies that you will use federal aid only for educational purposes. Signing the FAFSA also certifies that you are not in default on a federal student loan and that you do not owe money back on a federal student grant. Male students, if required, must be registered with the Selective Service. FAFSA’s for the school year must be completed prior to receiving any monies after June 1st.

Students are asked to submit a Free Application for Federal Student Aid (FAFSA) for processing prior to enrollment. FAFSA’s can only be completed on the World Wide Web, www.fafsa.ed.gov/. A financial aid counseling session will be scheduled before enrollment. At this time we will help you set up your financial budget and discuss with you the financial assistance you will qualify for during school.

Aid from most programs is awarded on the basis of financial need (except for unsubsidized Direct loans and all PLUS and Consolidation loans).

When you apply for federal student aid, the information you report is used in a formula established by the U. S. Congress. The formula determines your Expected Family Contribution (EFC), an amount you and your family are expected to contribute toward your education. If your EFC is below a certain amount, you’ll be eligible for a Federal Pell Grant assuming you meet all other eligibility requirements.

Your EFC is used in an equation to determine your financial need:

Cost of Attendance - EFC = Financial Need.

If you have questions regarding financial aid, you need to contact the financial aid office. An appointment is recommended.

If you have received a tuition waiver or scholarship from Headmasters School of Hair Design, you understand and agree to the following:
• You must maintain a cumulative GPA of 81% or higher during your entire enrollment.
• You must not be placed on probation at any time during your enrollment.
• You must maintain an average monthly attendance (AMA) of at least 80%.

The tuition waiver or scholarship will be credited to your account when the balance of your account is equal to the award amount. If you fail to do any of the above, you understand that your waiver or scholarship may be nullified. You also understand that if for any reason you are suspended or your enrollment is terminated prior to graduation, your waiver or scholarship will be void.

FINANCIAL AID CODE OF CONDUCT
The Higher Education Opportunity Act (HEOA) requires educational institutions to develop and comply with a code of conduct that prohibits conflicts of interest for financial aid personnel [ HEOA § 487(a)(25)]. Any Headmasters School of Hair Design officer, employee, or agent who has responsibilities with respect to student
educational loans must comply with this code of conduct.

The obligations in this Code of Conduct are in addition to any requirements imposed by state ethic laws, federal laws, or Headmasters School of Hair Design policies, i.e., the stricter standard of ethical behavior will apply in all instances.

1. Headmasters School of Hair Design and its affiliates have no preferred lending agreement with any lender of private educational loans and as such no officer or employee of the School shall engage in the practice of recommending, promoting or endorsing private education loans for students attending the School.

2. Neither Headmasters School of Hair Design as an institution nor any individual officer, employee, agent or affiliate employee shall enter into any revenue-sharing arrangements with any lender.

Revenue-sharing arrangement includes circumstances where an institution recommends a lender or the loan products of a lender who provides or issues a loan in exchange for a fee or provision of material benefits, including revenue or profit sharing, to the institution, or employee or agent of the institution.

3. No officer or employee of Headmasters School of Hair Design who is employed in the financial aid office or who otherwise has responsibilities with respect to education loans, or agent who has responsibilities with respect to education loans, or any of their family members, shall solicit or accept any gift from a lender, guarantor, or servicer of education loans.

For purposes of this prohibition, the term “gift” means any gratuity, favor, discount, entertainment, hospitality, loan, or other item having a monetary value of more than a de minimum amount. (The term includes a gift of services, transportation, lodging, or meals, whether provided in kind, by purchase of a ticket, payment in advance, or reimbursement after the expense has been incurred.)

4. An officer or employee of Headmasters School of Hair Design who is employed in the financial aid office or who otherwise has responsibilities with respect to education loans, or an agent who has responsibilities with respect to education loans, shall not accept from any lender or affiliate of any lender any fee, payment, or other financial benefit (including the opportunity to purchase stock) as compensation for any type of consulting arrangement or other contract to provide services to a lender or on behalf of a lender relating to education loans.

5. Headmasters School of Hair Design shall not:
   - for any first-time borrower, assign, through award packaging or other methods, the borrower’s loan to a particular lender; or
   - refuse to certify, or delay certification of, any loan based on the borrower’s selection of a particular lender or guaranty agency.

6. Headmasters School of Hair Design shall not request or accept from any lender any offer of funds to be used for private education loans, including funds for an opportunity pool loan, to students in exchange for the institution providing concessions or promises regarding providing the lender with respect to:

   - a specified number of private loans;
   - a specified loan volume of such loans; or
   - a preferred lender arrangement for such loans.

Opportunity pool loan means a private education loan made by a lender to a student attending the institution or the family member of such a student that involves a payment, directly or indirectly, by such institution of points, premiums, additional interest, or financial support to such lender for the purpose of such lender extending credit to the student or the family.

7. Headmasters School of Hair Design shall not request or accept from any lender any assistance with financial aid call center staffing or financial aid office staffing.

8. Any Headmasters School of Hair Design employee who is employed in the financial aid office, or who otherwise has responsibilities with respect to education loans or other student financial aid, and who serves on an advisory board, commission, or group established by a lender, guarantor, or group of lenders or guarantors, shall be prohibited from receiving anything of value from the lender, guarantor, or group of lenders or
guarantors, except that the employee may be reimbursed for reasonable expenses incurred in the serving on such advisory board, commission, or group consistent with applicable Headmasters School of Hair Design policies.

Any and all reimbursements received for any service on advisory boards, commissions, or other groups by lenders, servicers or guarantors must be reported annually to the Department of Education.

**DISBURSEMENT OF FINANCIAL AID CHECKS**

Students’ financial aid loan checks are disbursed to students within three (3) working days of receipt by the school provided the student meets eligibility requirements. Pell checks will be disbursed within three (3) working days of receipt by the school. All students must meet all satisfactory academic progress (SAP) requirements and have completed the proper number of hours student aid checks will be released. Refer to the SAP policy for more information. Please note students must be present in school for the entire day in order to receive a disbursement and checks will be distributed in the afternoon. Students who are on a leave of absence or on suspension will not be eligible to receive any financial aid awards.

**CREDIT BALANCE**

A credit balance results when the total of the credits posted to a student’s account (e.g., payments, loan disbursements, scholarships, etc.) exceeds the total of the charges applied or applicable to the account for a specific payment period.

A credit balance eligible for a refund is one where all the applicable charges and credits have been posted to the account and his or her eligibility for such funds has been reviewed and confirmed or adjusted based on current eligibility, enrollment or any other applicable conditions.

Anticipated funds, including anticipated financial aid, are not considered credits to a student’s account until the funds have actually been disbursed to the account.

Accounts of students on a Payment Plan are not eligible for a refund unless the Payment Plan has been completed and paid in full, and payments exceed the applicable charges. Credit balances will be refunded within 14 days.

**POLICY AND PROCEDURES FOR VERIFICATION**

Headmasters School of Hair Design has developed the following policy and procedures for verification regarding the information provided by applicants for Federal Student Financial Aid under the Title IV Programs.

1. Only those students who are selected for verification by the U.S. Department of Education or who have conflicting information in their records will be required to submit supporting documentation. In most cases, the required documentation consists of a completed Verification Worksheet and a transcript of your tax records from the IRS.gov from the appropriate year. Any conflicting information in the student’s file must be resolved before aid may be disbursed, regardless of the student’s verification status.

2. No Federal Pell Grant, Campus-Based, or Subsidized Direct Loan Funds will be disbursed prior to the completion of verification. (Headmasters School of Hair Design does not offer Campus-Based Funds at this time.)

3. Students eligible to receive Pell or Direct Loans will have until 60 days after their last day of attendance or August 31, whichever is earlier, to complete verification. However, in the interim, the student must have made arrangements with the school for payment of all tuition and fees due or risk termination from the school. After the passage of the aforementioned period, all financial aid that might have been due is forfeited.

4. All students will be notified on a timely basis if they have been selected for verification and what supporting documentation is required. At that time the student will be informed of the time parameters and the consequences of not completing the verification cycle. The institution will notify the student of the results of the verification process and any other documentation needed. The institution will assist the student in correcting any information that is inaccurate and will notify any students verbally or via an award letter if an
award changes. The institution will use as its reference the most recent Verification Guide supplied by the U.S. Department of Education.

5. If the student receives an overpayment based on providing inaccurate or conflicting information on any application and refuses to correct the information or repay the Federal funds after being counseled by the institution, the school will refer the case to the U.S. Department of Education for resolution. Unless required by the U.S. Department of Education, no Federal financial aid will be disbursed to the student.

6. The financial aid file must be documented with the date that verification is completed. Subsidized Direct Loan checks are not to be released prior to this date.

PROFESSIONAL JUDGMENT
Section 479A of the Higher Education Act of 1965, as amended, authorizes the Financial Aid Administrator to use professional judgment, on a case-by-case basis for students with “special circumstances” that affect a family’s ability to pay for a college education that is not reflected in the information provided on the Free Application for Federal Student Aid (FAFSA).

The FAFSA is designed to determine a family’s ability to pay for higher education by calculating the Expected Family Contribution (EFC) amount. The EFC is a measure of how much the student and his or her family can be expected to contribute to the cost of the student’s education for the year. The information provided on the FAFSA is used to calculate the EFC.

Professional judgement can only be done after verification is complete if the student was chosen for verification. Professional judgment is used to take into consideration factors which have not been reflected on the FAFSA. The professional judgment may either increase or decrease data elements used to calculate a student’s EFC.

Professional judgment cannot be exercised for the following:
- to circumvent the law or regulations
- to waive general student eligibility requirements
- to change a student’s status from independent to dependent
- to adjust the EFC directly
- to alter the need analysis formula or change table values
- to create a new category in the cost of attendance

The Financial Aid Administrator is expected and required to make reasonable decisions that support the intent of the provision. The school is held accountable for all professional judgment decisions made and for fully documenting each decision. All decisions are final; there is no appeal process to the U.S. Department of Education.

DEPENDENCY OVERRIDE
Dependent students must report their parents’ income and assets on the FAFSA as well as their own. Parents of dependent students are expected to contribute toward the cost of their college education. Federal student aid programs are based on the concept that a dependent student’s parents have the primary responsibility for paying for their child’s education.

Sometimes extraordinary circumstances make it impossible for a student who does not meet the definition of independent to obtain his or her parents’ financial information. In extremely rare cases, Headmasters School of Hair Design may authorize a Dependency Override. If the school grants a Dependency Override, the student can apply for aid in the same manner as an independent student, using only the student’s income and asset information.

Headmasters School of Hair Design will only consider documented cases of child abuse or the current and continuing incarceration/institutionalization of the custodial parent as being extraordinary circumstances.

Note: In most cases the non-custodial parent would then become the custodial parent.
Headmasters School of Hair Design will not grant a Dependency Override when the sole basis for the request is that parents do not claim the student on income tax return, parents do not wish to provide income and tax information, parents simply do not wish to contribute to educational expenses or the student is self-supporting.

Students who wish to apply for a Dependency Override must submit the following documentation:

- A letter of explanation, written by the student, explaining the extraordinary family circumstances that led to the student leaving the parent household. The letter must include information on the student’s means of support since leaving the parent household.
- Letters (on letterhead) from three professionals detailing their first-hand knowledge verifying the family circumstances as described by the student. Professionals may include guidance counselors, clergy members, teachers, doctors, family counselors, mental health professionals and law enforcement personnel. The letters must include the professional’s name, job title and contact information. In most cases, court documents will be requested.
- Copies of the student's federal income tax return transcripts for the current and preceding year.

The letter of explanation requesting a Dependency Override along with all required documentation should be sent to the Financial Aid Administrator.

**POLICY AND PROCEDURES FOR SECONDARY CONFIRMATION**

Headmasters School of Hair Design has established the following procedures relative to the secondary citizenship confirmation process for Title IV financial aid applicants who have indicated that they are eligible non-citizens or permanent residents of the United States. If the primary confirmation process does not confirm eligible Title IV applicant status and the student submits reasonable evidence of eligible status, the school will initiate the secondary confirmation process.

**ALL STUDENTS WHO INDICATE AN ELIGIBLE STATUS BUT WHOSE ELIGIBLE STATUS IS NOT CONFIRMED BY THE CENTRAL PROCESSING SYSTEM OUTPUT DOCUMENT WILL BE GIVEN A COPY OF THESE PROCEDURES.**

1. Students have thirty (30) days from the date the institution receives the output document or thirty (30) days from the student’s receipt of this document (whichever is later) to submit documentation for consideration of eligible non-citizen status.
2. Failure to submit the information by the deadline prevents the institution from disbursing any Title IV funds or certifying the student as eligible for any Title IV funds.
3. The institution will not make the decision regarding “eligible non-citizen” status without the student having the opportunity to submit documentation supporting a claim of eligibility.
4. Students must submit documentation of their current immigration status to the Financial Aid Office. This documentation must be an official document from the Immigration and Naturalization Service (INS). In order to initiate the required process, students must submit INS documents which are legible and which demonstrate the latest status with INS.

**SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY**

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Premiere student record keeping software is used by the school as our official way of tracking a student’s hours, GPA and minimum state requirements.

**EVALUATION PERIODS**

Students are evaluated for Satisfactory Academic Progress as follows for Cosmetology, Cosmetology Instructor and
Transfer Students: Evaluations will be on the 1st business day of the month, if a student is absent on the day of evaluations the student will be evaluated on their first day of attendance after evaluations. Evaluations are based on actual hours completed.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Students will be notified of any evaluation that impacts their eligibility for financial aid.

**ATTENDANCE PROGRESS EVALUATIONS**

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

**MAXIMUM TIME FRAME**

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

<table>
<thead>
<tr>
<th>COURSE</th>
<th>MAXIMUM TIME ALLOWED</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cosmetology (Full time, 37.5 hrs/wk) – 1600 Hours</td>
<td>54 Weeks 2000 Hrs</td>
</tr>
<tr>
<td>Cosmetology Instructor (Full time, 37.5 hrs/wk) – 1000 Hours</td>
<td>34 Weeks 1250 Hrs</td>
</tr>
</tbody>
</table>

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 80% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

**ACADEMIC PROGRESS EVALUATIONS**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 81%. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<table>
<thead>
<tr>
<th>Grade Range</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>100% - 93%</td>
<td>EXCELLENT</td>
</tr>
<tr>
<td>92% - 87%</td>
<td>VERY GOOD</td>
</tr>
<tr>
<td>86% – 81%</td>
<td>SATISFACTORY</td>
</tr>
<tr>
<td>80% and BELOW</td>
<td>UNSATISFACTORY</td>
</tr>
</tbody>
</table>

**DETERMINATION OF PROGRESS STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.
WARNING
Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION
Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. Students must be able to meet all of the elements described here prior to being placed on probation. Students will not be given back to back probationary status.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS
Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS
If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Course incompletes do not apply to the school.

APPEAL PROCEDURE
If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS
Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS
With regard to Satisfactory Academic Progress, a student’s transfer hours from another institution that are accepted toward the student’s educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at Headmasters School of Hair Design.
INTERNAL COMPLAINT PROCEDURE/STUDENT & STAFF GRIEVANCE POLICY & PROCEDURE

Students and staff are expected to try to resolve any matter of dissension by meeting with the student(s) and staff member(s) involved. If he or she feels their concerns are not being satisfied through this course of action, they may then file a written complaint with the owners of Headmasters School of Hair Design. No complaint will be considered unless presented in this manner.

1. Brief description of the situation. Include dates, times, and all pertinent information pertaining to onset of circumstances.
2. A listing of actions taken by the student/staff member to deal with the situation. Include dates, times, individuals involved, and the outcome.
3. Advising sessions with staff. Include dates, times and results of each session.
4. Steps you are willing to take to improve the situation or circumstances.
5. Your thoughts on how the school can assist you in this matter.

A School Administrator will meet with the complainant within 10 days of receipt of the written complaint. This conference will be documented and a copy given to the parties involved at the time of the meeting. If after careful evaluation, the problem cannot be resolved through discussion, the grievance will be referred to the school's complaint committee. The school's complaint committee will meet within twenty-one (21) calendar days of receipt of the complaint and review the allegations. If more information is required from the complainant, a written letter outlining the additional information will be sent out. If no further information is needed the complaint committee should act on the allegations and a letter be sent to the complainant within fifteen (15) calendar days. The letter will address the steps taken to correct the problem, or information to show that the allegations were not warranted or based on fact.

If the complainant is not satisfied with the decision made by the committee, he or she may pursue the matter further. This can be done by filing a formal complaint with our accrediting agency listed below:

Students will be required to furnish their own clothing that meets school requirements below.

- Word-free shirts: must have sleeves, no low cut, and no mid-drifts showing, not see through.
- Any comfortable shoes.
- No shirts with hoods (no jackets or windbreakers, sweaters can be worn if cold).
- No ball hats, turbans or any type of head coverings are allowed.

Within such discussion Administration and enrollee will reasonably agree upon the appropriate measures that will be set forth for the enrollee. This will be documented and signed by enrollee and administration.

This dress code may be required by your future employer and is required to attend school. Staff can guide you in choosing a style that will compliment your appearance. If in doubt, you must get approval from a School Administrator/Director.

Students who arrive to school not dressed in appropriate attire will be sent home to change. Students who do not return after being sent home will be marked as an unauthorized absence. Students who continue to fail to comply with dress code will be subject to the standard disciplinary actions up to and including termination.

**CELL PHONES - PHONE CALLS**

Cell phones are not permitted on the clinic floor unless Okayed by an instructor. The small closet behind the desk can be used for booking appointments.

This includes using them for timers, music or text messaging. Students may be sent home for the remainder of the day. Continued use may result in suspension or termination for insubordination.

If a student needs to receive any message from friends and/or family, the friend or family member should call Headmasters School of Hair Design and ask to speak with a student's instructor. **CONFIDENTIALITY – FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

Students (or parents or guardians of dependent minors) may gain access to their files (which are kept in the Financial Aid Office) during school hours by making an appointment with the appropriate school personnel. Files are not to be removed from the office. Since students receive copies of all pertinent information in their files, additional copies of documents in the student file will be given to students upon request at the rate of One Dollar and No/100 ($1.00) per copy.

Students may request their transcript from the Financial Aid Administrator/Registrar after their fees have been paid in full.

No information concerning a student will be released to anyone without specific written permission of the student and parents or guardians of dependent minors.

The school will release information from files regarding attendance, progress, financial status and other official information to any Regulatory Office to include, but not limited to, the U.S. Department of Education, National Accrediting Commission of Career Arts & Sciences (NACCAS), State of Idaho and Northwest Education Loan Association (NELA) as required for any accreditation process.

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law which states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student education records.

DIRECTORY INFORMATION: Headmasters School of Hair Design considers the following Directory Information and WILL release this information WITHOUT the written consent of the student. Headmasters School of Hair Design will not release directory information if the institution is notified in writing by the student or guardian of dependent minors that they do not want information given without consent.

* Full Name
* Withdrawal Date
* Program
* Email Address
* Dates/Terms Enrolled
* Previous Colleges Attended
NON-DIRECTORY INFORMATION: Headmasters School of Hair Design considers the following Non-Directory Information and therefore will NOT release this personally identifiable information without the student’s written consent.
* Date of Birth
* Social Security Number
* Grades
* Address/Phone Number
* Transcript
* Gender
* Parent Address(es)
* Financial aid or veteran’s status
* Semester/Cumulative GPA

If non-directory information is needed to resolve a crisis or emergency situation, Headmasters School of Hair Design may release that information to appropriate officials if Headmasters School of Hair Design determines that the information is necessary to protect the health or safety of a student or other individuals. Upon request, Headmasters School of Hair Design discloses education records without consent to officials of another college in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for the purposes related to the student’s enrollment or transfer.

DISCLOSURE: Those members of Headmasters School of Hair Design who act in the student’s educational interest within the limitations of their “need to know” have access to student education records. These personnel are referred to as “school officials”. No one outside the institution shall have access to, nor will the institution disclose any non-directory information from a student’s education record, without the written consent of the student except to those with a legitimate educational interest as listed below:
• Appropriate high school or transfer school officials;
• Authorized officials conducting audits or evaluations;
• Appropriate parties in connection with financial aid to a student;

The release of information to those having legitimate educational interest does not constitute authorization to share that information with a third party without the student’s written consent.

The Registrar shall decide the legitimacy of requests for student information. However, if the Registrar is served with a subpoena requesting student information, the Registrar must comply with the request. Before doing so, the Registrar shall attempt to notify the student of the subpoena in advance of compliance so the student may seek protective action, unless the disclosure is in compliance with a subpoena issued by an agency that has ordered the contents of the subpoena, or the information furnished in response to the subpoena, not be disclosed.

Information on deceased students will only be made available to survivors or third parties via a subpoena to the Registrar.

The Solomon Amendment requires colleges and universities to release information regarding enrolled students to the military for recruitment purposes. Students may restrict disclosure to the military by restricting all disclosure of personal information.

Students or guardians of dependent minors may submit a “Directory Information Restriction Request” form to the Financial Aid Office to prevent directory or non-directory information from being released. This Restriction form will be honored by Headmasters School of Hair Design until rescinded in writing by the student.

STUDENT RIGHTS: FERPA affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student’s education records within 45 days of the day the school receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Headmasters School of Hair Design official will make arrangements for access and notify the student of the time and place where
the records may be inspected. If the records are not maintained by the Headmasters School of Hair Design official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading. Student may ask the School to amend a record that they believe is inaccurate or misleading. They should write the school official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the student, the School will notify the student of the decision and advise the Student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by Headmasters School of Hair Design in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials or another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

CONSTITUTION DAY

President George W. Bush signed a bill on December 8, 2004 (Public Law 108-447) that designates every September 17 as Constitution Day. All institutions of higher education that receive federal funding are required to prepare a program to inform students about the U.S. Constitution.

SAFETY AND SECURITY POLICY

INTRODUCTION

This chapter has been designed to inform all Headmasters School of Hair Design Students and employees about its safety and security procedures and policy. The safety of our students and employees and the security of their
belongings is an important concern of management. This document explains the school's policy regarding crime and accident prevention, public safety and criminal and accident reporting procedures. Read this document carefully and ask questions if you feel confused or uncertain.

SAFETY

SAFE OR SAFETY:
1. Protected
2. Uninjured, out of danger
3. Not involving risk
4. Trustworthy
5. Sure, reliable
6. Cautious

These are all great adjectives that describe how we should treat our clients, our fellow co-workers and our salon/school and its equipment.

PROTECTED: It is your responsibility to protect your client, to protect your co-worker and to protect yourself. You cannot rely on anyone else to protect these aspects, except you.

UNINJURED, OUT OF DANGER: It is your duty to keep your clients uninjured and out of danger.

NOT INVOLVING RISK: Never take a risk that will jeopardize the safety of anyone or anything. Always think of the outcome before taking that first step.

TRUSTWORTHY: Clients and students put their trust in you every day. Never let that trust be a sign to throw caution to the wind. They trust you to keep them safe and protected. Be true to your word.

SURE, RELIABLE: Be sure of what you do at all times. The public relies on your abilities; do not let them get injured.

CAUTIOUS: Always be cautious in every step or procedure you do. Never assume that someone else has taken or is aware of the safety precautions that we hold to be true. Never rush or hurry, this will make you skip safety measures and client protection will suffer.

REMEMBER: ALWAYS TREAT EVERYONE AS YOU WOULD WANT THEM TO TREAT YOU!!

EQUIPMENT
1. Do not leave irons or other hot items unattended. This could cause serious burns to students, clients and small children. Also, it is a fire hazard.
2. Do not leave electrical equipment plugged in when not in use. Example: When at lunch, break or after hours. This could cause fires or harm to others.
3. Hydraulic chairs are not toys. They should be kept in a down and locked position unless in use. Do not allow children to play on or around them.
4. Dryers should always be double checked for proper drying temperature. Do not assume all dryers heat the same. This can cause burns, over or under processing of chemical services.
5. Squirt bottles are to dampen client’s hair, not to use as a toy water gun. Do not allow children to play with them. This is not only causing a danger by wetting the floor, which can lead to someone slipping, but it makes you and the school looks very unprofessional.

CLIENT SAFETY

CHILDREN
1. Children must be supervised by their parents at ALL times. This is a place of business, not a playground.
Get an instructor if you are unable to convince the parents to control their children. Students and staff must refrain from holding, lifting or carrying children that are not their own.

2. Do not allow children to play on or around hydraulic chairs. These are not toys and could cause serious injury.

3. Do not allow children to run, play or be unattended. Children must sit and act in a civilized manner. Running children can hurt themselves, hurt students and could seriously hurt elderly patrons.

SENIOR PATRONS
1. Help them up and down the ramp areas.
2. Help them in and out of your chair. Elderly people sometime have problems getting up and down from chairs. Remember to put your hydraulic down and locked before doing so.

GENERAL CLIENT PROTECTION
1. Never leave a client alone with any type of chemical on their head. This is an accident waiting to happen. No two chemicals ever act or react the same on any one person. Even if you have done that same service on that same client, it may not react the same this time. You must be aware and practice client protection at all times.
2. Always use the proper drape for the service that you are about to perform. Use a plastic or waterproof cape for any type of chemical or wet service. Always use cotton or linen for a thermal (heat) type of service. A hot iron and plastic does not feel good against your client’s skin. And never reuse a cape without protecting your client skin with a sanex strip or clean towel.
3. Always make sure that management is aware of snow that needs to be removed to avoid client endangerment. Rain or snow can cause someone to slip and fall and cause serious harm to themselves.
4. Only those receiving services will be permitted on the clinic floor during business hours.

STUDENT PROTECTION
SANITATION
1. Do not store lunches in refrigerator more than 24 hours. The break room refrigerator is not a storage locker for unwanted half eaten food. The refrigerator will be cleaned out once a week and all perishable food items will be properly disposed of. Refrigerated condiments, i.e. ketchup, mustard etc., will be checked weekly for freshness.
2. Sanitize all implements after each use. Due to numerous contagious diseases you MUST sanitize after each client. They count on you to protect them. You should also protect yourself. Remove everything from your countertop each night and sanitize it thoroughly. IT’S THE LAW.
3. Wipe water/spills off floors immediately. Please wipe up any spill immediately; slips can permanently hurt someone.
4. Sweep up hair as soon as haircut is finished. This should be done immediately after the cut, before you call for a check. And never sweep it into a corner or continue to style the hair. Blow dryers will spread it throughout the salon. People will track it with their feet.

FIRST AID

HARASSMENT POLICIES

Headmasters School of Hair Design is committed to providing an environment that emphasizes the dignity and worth of every member of its community and that our school is free from harassment and discrimination based upon race, color, religion, national origin, creed, service in the uniformed services (as defined in state and federal law), veteran status, sex, age, political ideas, marital or family status, pregnancy, physical or mental disability, genetic information, gender identity, gender expression, or sexual orientation. Such an environment is necessary to a healthy learning and working atmosphere because discrimination and harassment undermine human dignity and the positive connection among all people at our school and in our community.

Acts of discrimination, harassment, sexual misconduct, stalking, and retaliation will be addressed consistent with the below listed harassment policies. These polices prohibit discrimination and harassment between members of the greater Headmasters School of Hair Design academic community more generally: for example, between an instructor and a student, between two students, or between a student and an applicant or client/visitor. These polices also prohibit retaliation against an individual for opposing any practices forbidden under this policy, for bringing a complaint of discrimination or harassment, for assisting someone with such a complaint, for attempting to stop such discrimination or harassment, or for participating in any manner in an investigation or resolution of a complaint of discrimination or harassment.

Any individual who believes they may have been the target of unlawful discrimination or harassment must feel free
to report their concerns for appropriate investigation and response, without fear of retaliation. All complaints or any concerns about conduct that violate this policy should be reported at once to the school owner or administrator.

HARASSMENT
Harassment is covered under this policy if it is based upon an individual’s race, color, religion, national origin, creed, service in the uniformed services (as defined in state and federal law), veteran status, sex, age, political ideas, marital or family status, pregnancy, physical or mental disability, genetic information, gender identity, gender expression, or sexual orientation.

1. Harassing conduct may take various forms, including name-calling, graphic or written statements (including any electronic communication device) or other conduct that may be physically threatening, harmful, or humiliating.
2. Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.
3. Sex-based harassment includes sexual harassment, which is further defined below, and non-sexual harassment based on stereotypical notions of what is female/feminine v. male/masculine or a failure to conform to those gender stereotypes.

HOSTILE ENVIRONMENT HARASSMENT
Hostile Environment Harassment is covered under this policy if it is based upon an individual’s race, color, religion, national origin, creed, service in the uniformed services, veteran status, sex, age, political ideas, marital or family status, pregnancy, physical or mental disability, genetic information, gender identity, gender expression, or sexual orientation.

Hostile Environment Harassment exists when harassment:

1. is sufficiently serious (i.e., severe, pervasive, or persistent) and objectively offensive so as to deny or limit a person’s ability to participate in or benefit from their academic program objectives, services, opportunities, activities, or when such conduct has the purpose or effect of unreasonably interfering with an individual’s employment.

Harassment that creates a hostile environment violates this policy.

1. A hostile environment can be created by anyone involved in a set academic program or activity (e.g., administrators, faculty members, students, and even clients/guest).
2. Mere offensiveness is not enough to create a hostile environment. Although repeated incidents increase the likelihood that harassment has created a hostile environment, a serious incident, such as a sexual assault, even if isolated, can be sufficient.
3. In determining whether harassment has created a hostile environment, consideration will be made not only as to whether the conduct was unwelcome to the person who feels harassed, but also whether a reasonable person in a similar situation would have perceived the conduct as objectively offensive.

SEXUAL HARASSMENT
Sexual harassment is considered to be a sexual offense. In basic terms, sexual harassment is defined as any unwelcome advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature. The key is "UNWELCOME" sexual behavior. For example, a group of employees may be telling dirty jokes that are unwelcome to some employees. There are five types of sexual harassment:

1. Suggesting or insinuating that employment, higher grades or future promotions will be given in exchange for sexual favors.
2. Demeaning language focused on gender; sexual comments about a person's body; telling sexual jokes or stories; spreading rumors about a co-worker or fellow student's sex life; asking or telling about sexual fantasies, preferences or history.
3. Staring at a person's body; sexual gestures focused on body parts; giving personal, unwanted gifts, following a person; sending suggestive letters, notes, illustrations or photographs.
4. Any manner or unwanted touching, including brushing up against another person suggestively or touching yourself in a sexual manner in front of others.
5. A sexually poisoned work or school environment where the atmosphere makes it difficult for an employee or student to work or feel comfortable. This includes a wide range of behaviors and actions from displaying sexually suggestive pictures, cartoons, and illustrations, to telling suggestive stories and jokes or using sexual gestures.

**LEGAL GUIDELINES - HOW TO AVOID SEXUAL HARASSMENT**
1. Assume that none of your co-workers or fellow students like sexual comments or gestures and don't say them or do them at all.
2. A company's sexual harassment policies extend to all off-campus functions as well as in the office or classroom.
3. Your co-workers' and fellow students' personal lives and homes are private. Don't intrude.
4. Statements or stories that demean people based on gender or sexual preference are illegal.
5. Sweeping generalizations based on gender or sexual persuasions are unacceptable.
6. Don't talk to co-workers or other students about your dating, sexual or marital life.
7. Compliment people only on the quality of their work, not their appearance.
8. Address your co-workers, teachers or fellow students respectfully and by their correct names only.
9. Sexual storytelling and joking in the workplace are unacceptable.
10. Speak to a person's eyes, not any other part of the body.
11. Be respectful of the privacy of a co-worker or fellow student's work space.
12. Displaying or sending sexual notes, photographs, illustrations or cartoons is unacceptable.
13. Demeaning and degrading language and behavior based on gender or sexual persuasion is illegal.
14. A handshake is an acceptable gesture. Any other touch may be sexual harassment and illegal.
15. Romantic involvement between non-married co-workers is discouraged.

If a student or employee has been the victim of any sexual offense, including sexual harassment, on campus or during a school related activity and wishes to report the offense, it is the school's policy that the offense be reported at once to the school owner or administrator in charge. An investigation will begin as soon as possible. Actions which may include probation, suspension, or termination will be taken by the school administration. Students who become victims of sexual offenses on campus involving another student(s) will be given the option of transferring to another class to avoid contact with the accused assailant.

**DISABILITY HARASSMENT**
Headmasters School of Hair Design will try to prevent and appropriately respond to any form of disability harassment. Disability harassment can have a profound impact on students, raise safety concerns, and erode efforts to ensure that students with disabilities have equal access to education. We are committed to doing all that we can to help prevent and respond to disability harassment and lessen the harm of any harassing conduct that has occurred. When harassing conduct is sufficiently severe, persistent or pervasive that it creates a hostile environment, it can violate a student’s rights under the Section 504 and Title II Regulations.

Disability harassment under Section 504 and Title II is intimidation or abusive behavior toward a student based on disability that creates a hostile environment by interfering with or denying a student’s participation in or receipt of benefits, services, or opportunities in the institution program. Harassing conduct may take many forms including verbal acts and name calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening harmful or humiliating.

Headmasters School of Hair Design prohibits discrimination based on disability. Headmasters School of Hair Design will take prompt and effective action to end the harassment and prevent it from recurring and, where appropriate, remedy the effects on the student who was harassed.
